Mark your calendar! Homecoming week is Oct. 3-7. All families are invited to participate in the Homecoming Parade and float building process. Float building will take place in the side lot of Holmes Elementary School on October 3rd and October 4th from 4:00-7 pm. No experience necessary! We need many hands to help make the work go quicker!

The Homecoming Parade will take place on Thursday, October 6th. Students should arrive at 6:15 p.m. in the middle school teacher's parking lot. The high school will be closed to all non-parade traffic. We would love to have as many students ride as possible! Parents are encouraged to join by walking behind the float. Parents should pick up their child immediately after the parade at the same drop off location.
